

June 2018

Summer Reading Club
June 1st - July 31st

Houston Museum of Natural Science
Docents to Go Outreach
Presentation on **Rocks and Minerals**
(Grade 3 – adult)

Explore the fascinating characteristics of the most important building blocks of Earth's crust. An expert volunteer HMNS docent will visit the Sweeny Library with real Museum artifacts and specimens! The 45-minute session is a hands-on interactive experience.

Texas A&M Chemistry Road Show: The Chemistry Road Show is a public service program with two complementary and interlocking goals: to **entertain** and **educate** students using chemistry.
